

## **EU Nationals and 2019-20 Student Funding in Scotland**

The Scottish Government has announced that eligible EU students who are studying a course of Higher Education at college or university in Scotland in 2019-20 can access tuition fee support for the duration of their course. This means that eligible EU students will continue to have access to free tuition from the Student Awards Agency Scotland (SAAS). SAAS will assess applications against existing eligibility criteria, and will provide funding in the normal way. This confirms that the guarantee already in place for eligible EU students enrolling in the 2018-19 academic year will be extended to those beginning their studies in the 2019-20 academic year. This guarantee will also remain in the event of a no-deal Brexit.

Further information for EU nationals who are currently studying, or planning to come to Scotland to study, is available at [www.saas.gov.uk/full\\_time/brexit/index.htm](http://www.saas.gov.uk/full_time/brexit/index.htm)
