INTRODUCTION

These notes provide guidance to assist managers in the operation of the University Childcare Funds, which have been allocated to them by Scottish Ministers.

Universities should use these guidelines to assist them to devise suitable systems, for which they will be accountable, to undertake the receipt and disbursement of the Funds.

ABOUT THE FUND

Changes for 2022-23

- The funds will be disbursed in one single payment in August this year. There will be no second instalment.
- SFC will issue separate 2022-23 guidance for the Higher Education and Further Education Childcare Funds in the college sector.
- Any unspent funds from 2021-22 should be returned to SAAS by 31 October 2022.
- Students must take out the full living cost loan/bursary that is available to them before accessing the fund.

Purpose of the University Childcare Funds

The University Childcare Funds sit alongside the FE and HE Discretionary Funds and are available to all **eligible** students with childcare responsibilities. The funds provide assistance with the cost of **formal registered childcare expenses**. They do not place limits on the amounts individuals can access and gives institutions the flexibility to determine award levels themselves.

However, it should be remembered that both FE and HE **eligible** lone parent students are **entitled** to a payment of **up to a maximum of £1,215 per year*** from the Childcare Funds and it is the institutions' responsibility to ensure that there are always funds available to make these payments to lone parents from the childcare funds.

*** These payments will be assessed taking account of other payments made for childcare costs from other sources.**

The university childcare funds have two elements, they are:

- **The Lone Parents Childcare Grant (LPCG) element** which will be an entitlement payment of **up to** £1,215 per year to all **eligible** further and higher education students who are lone parents and who have formal registered childcare expenses while studying. **The LPCG is not income assessed.**

And

- **The Discretionary Childcare Funds** which all students may apply to for financial help with formal registered childcare expenses. Payments from the Discretionary Childcare funds will be made at the discretion of institutions and based on an assessment of need.

The University Childcare Funds will continue to sit alongside the Higher Education Discretionary Funds (HEDF). Separate guidance for the HE and FE College Childcare Funds will be issued by the SFC.

Distributing body of Fund by Student Type

	Discretionary Fund	Childcare Fund	Lone Parent Childcare grant (LPCG)
College FE Student	SFC (FE Discretionary Fund)	SFC (combined HE/FE Childcare Fund)	SFC (combined HE/FE Childcare Fund)
College HE Student	SAAS (HE Discretionary Fund)	SFC (combined HE/FE Childcare Fund)	SFC (combined HE/FE Childcare Fund)
University Student	SAAS (HE Discretionary Fund)	SAAS (HE Childcare Fund)	SAAS (HE Childcare Fund)

Discretionary Childcare Funding in Universities

Full-time eligible HE students attending university will be able to apply for help for registered childcare costs from the University Childcare Funds, at the discretion of their university.

Full-time HE lone parent students will also be able to apply for **additional** help with registered childcare costs (over and above the Lone Parents Childcare Grant) from the University Childcare funds, at the discretion of their university.

Students with both Childcare and Discretionary Fund needs will continue to be able to access support from the main Discretionary funds, as well as the Childcare Funds, at the discretion of their university.

ELIGIBILITY TABLE

Eligible to apply:	The College Childcare Funds (FE and HE Students)	The University HE Childcare Funds
<u>Domicile/residence</u>	Guidance to follow from SFC.	Is UK domiciled and meets residency criteria set out in the Education (Access Funds) (Scotland) (No.3) Determination 2022.
<u>Age</u>	Guidance to follow from SFC.	Must be past compulsory school leaving age

Eligible Courses	Guidance to follow from SFC.	Must be attending an eligible full-time course of study, as defined by SAAS. This includes postgraduate courses that qualify for tuition fee loan funding from SAAS.
Other Criteria	Guidance to follow from SFC.	Must have used some entitlement of all other available support such as student loan. HE lone parents should also have claimed the Lone Parents Grant from SAAS and have claimed Child Tax Credits and free nursery places etc., as provided by their local authority. Students must meet the eligibility criteria for tuition fees to be eligible for assistance from the Childcare Fund, apart from the Lone Parent Childcare Grant element.
<u>Other Support</u>	Guidance to follow from SFC.	Must be paying registered childcare costs.
Priority Groups	Guidance to follow from SFC.	Mature students, lone parents, care-experienced students, student carers, estranged students (Where it would not negatively impact on their ability to claim, or continue to be entitled to, income related benefits).

RESIDENCE

Ordinary Residence

To be eligible to apply for support from the Childcare Funds, you must meet the following conditions:

- Be ordinarily resident in the United Kingdom, the Channel Islands or the Isle of Man for the three years immediately before the relevant date (the first day of the first academic year of the course). If you fall short of being ordinarily resident in the UK and Islands for the three year qualifying period, even by one day, you will not be eligible to apply for support under the normal residence conditions, AND
- If you are not a UK national, you must have 'settled status' in the UK (as set out in the Immigration Act 1971) on the relevant date, AND
- Be ordinarily resident in Scotland on the relevant date. We will not treat you as being ordinarily resident in Scotland if your main purpose in coming here has been to receive fulltime education and that you have no intention of staying and living here.

Forces Personnel

Under the temporary non-resident arrangements, forces personnel are treated as being resident in the country in which they were ordinarily resident before they “signed up/enlisted”. If they are ordinarily resident in Scotland but are serving overseas, they would also be eligible. Family members of serving forces personnel are also considered eligible in the country in which the serving forces personnel was ordinarily resident before they signed up/enlisted.

Other Residency Exceptions

If a student is not eligible for support under the general residence conditions, they may still be eligible to apply to the Childcare Fund for support under one of the exceptions to the ordinary residence conditions. Detailed information about the exceptions to our residency criteria can be found at [SAAS Residency conditions](#). If you need further clarification on residency eligibility, please contact the [SAAS Policy Team](#), who will be happy to assist you.

EU nationals who are eligible for full living cost support will also be eligible to apply to the fund. As will those EU nationals with protected rights eligible for tuition fees only, who were here by the end of 2020, have pre-settled status, but haven't been in the UK for 3 years.

[Return to Chapter index](#)

AGE

Students entering HE courses before they have reached their official school leaving date are not eligible to apply for support from the Childcare Funds.

[Return to Chapter index](#)

ENGAGEMENT

Institutions must be satisfied that students are attending/undertaking an appropriate course of education and that their attendance/ participation and progression is satisfactory and in line with any other national or local guidance on this issue.

[Return to Chapter index](#)

PREVIOUS STUDY RULE/LINK TO TUITION FEE ELIGIBILITY

HE Students must meet the eligibility criteria for tuition fees to be paid by SAAS in order to be eligible for assistance from the Childcare Funds. However, you can still award the Lone Parent Childcare Grant element to eligible students who are not receiving tuition fee support due to previous study rules.

There are currently no previous study rules that would have an effect a FE student's eligibility for assistance from the Childcare Funds.

[Return to Chapter index](#)

OTHER SUPPORT

Maintenance Loan

Student loans are an integral part of the system of student support. Students who are eligible for a maintenance student loan are, of course, free to decide whether to take out a loan and, if so, how much to borrow.

However, a student must have taken out, or applied for, the full living cost loan and/or bursary to which they are entitled before receiving help from the Childcare Fund. Institutions should contact SAAS if they are unsure whether a student has applied for any living cost support.

Tuition Fee Loan

Students do not have to take out the tuition fee loan, in order to apply to the Childcare Fund (for example, the course may attract a fee from SFC). However, universities should consider why someone had not taken out the tuition fee loan, and whether that decision was impacting on their request for Childcare support.

For example, if a student chose to pay their own fees and not take out a tuition fee loan; does that impact on their need to cover childcare costs from elsewhere?

Postgraduate Students

'Taught' Postgraduate Diplomas and Masters courses now attract a living cost loan and a tuition fee loan from SAAS. Eligible students must take out the full living cost loan before accessing support from the Childcare Fund. Students in receipt of an Educational Psychology training grant as part of the two year MSc in Educational Psychology will not be entitled to support from the Lone Parents Childcare Grant (LPCG) and Discretionary Childcare Funds.

[Return to Chapter index](#)

Other Childcare Support available to students with childcare costs. – Scottish Domiciled Students Only

Type of Support	Description	Further Information
Tax Credits.	<p>Her Majesty’s Revenue and Customs (HMRC) will pay Child Tax Credit to those responsible for at least one child, whether or not they are in paid work.</p> <p>Students who are working or have a partner who is working may be eligible for Working Tax Credit. Where both members of a couple work at least 16 hours per week, Working Tax Credit can include help with registered childcare costs.</p> <p>Universal credit will replace Tax Credits over the next few years. Universal credit can help with childcare costs for people in work, and provides financial support for parent students who have a low income.</p>	<p>Further information on Tax Credits is available at https://www.gov.uk/benefits-credits/tax-credits or by calling 0345 300 3900</p>
Free School Meals	Students who are in receipt of Child Tax Credit or some other benefits may also be eligible for free school meals.	Students should contact their own local authority for more information
Lone Parent Grant	HE Students who are widowed, divorced, separated or single with at least one dependent child are eligible for the Lone Parent Grant from SAAS. Institutions should ensure that they have claimed their full entitlement of Lone Parent Grant from SAAS when assessing any need for support through the Childcare Funds.	Further Information can be found at Living Costs Grants - Student Carers - SAAS

English Domiciled Students (HE students only)

HE English domiciled students studying in Scotland may be able to receive a Childcare Grant from their funding body if they are using certain types of childcare:

- Childcare provided by child-minders, nurseries and play schemes registered by the Care Inspectorate.
- Childcare provided by out-of-school-hours clubs registered by the Care Inspectorate on school premises and run by a school or a local authority.
- Childcare provided by an approved foster carer. (The care must be for a child who is not being fostered by the foster carer.)
- Childcare provided in the child's own home by (or introduced through) childcare agencies, sitter services and nanny agencies which are required to be registered by the Care Inspectorate.

These students would **not** then qualify for assistance from the University Childcare Fund, **although they would continue to be eligible for assistance from the general Discretionary Funds.**

The types of childcare that qualify for the English HE Childcare Grant have been extended to include other forms of childcare which qualify for the childcare element of Working Tax Credit (WTC) administered by HMRC. This means that childcare in Scotland and Northern Ireland which counts as qualifying childcare for the WTC childcare element, now also counts as qualifying childcare for the Childcare Grant.

Northern Irish Domiciled Students

Northern-Irish domiciled students studying in Scotland may be able to receive support towards childcare from the Northern Irish Government. More information can be found here:

<https://www.nidirect.gov.uk/information-and-services/childcare/childcare-benefits-tax-credits-and-other-help-working-parents>

Welsh Domiciled Students

Welsh domiciled students studying in Scotland may be able to receive support towards childcare from the Welsh Government. More information can be found here:

<https://gov.wales/topics/people-and-communities/people/children-and-young-people/childcare/help-paying-for-childcare/?lang=en#content>

Nursing and Midwifery Students

Students supported under the Paramedic Science, Nursing and Midwifery Student Bursary Scheme are not entitled to help from the Childcare Funds. However, they may be eligible for help towards their childcare costs from the ring-fenced allocation of the main HE Discretionary Funds specifically for nursing and midwifery students, which is administered by SAAS on behalf of Scottish Government Health Directorate. Further information on the fund can be found on the [SAAS website](#).

[Return to Chapter index](#)

ASSESSMENTS

How Needs Are Assessed

Factors for Consideration in the Assessment of Need

Lone Parent Childcare Grant

Advice to Students

[Return to Table of Contents](#)

HOW NEEDS ARE ASSESSED

A balanced and proportionate approach should be taken when considering each application in regards to evidence submitted/ assessed. However, it remains at the discretion of each institution as to what evidence is permitted.

In addition to their application a student **may** provide:

- proof of accommodation costs
- a recent bank statement
- details of their weekly income/expenditure
- any other information you feel is relevant to assessing hardship

It is for universities to decide what evidence is required in order to verify the information provided by the student. However, in the interests of prudence and value for money, they should examine a random sample of cases to compare estimated expenditure with actual expenditure incurred. Students should therefore be informed that they may be asked to provide proof of actual expenditure later in the year. Institutions must remember, however, that payments from the Childcare Funds should only be made when the student has applied for their full maintenance student support and supplementary grant entitlement (if eligible).

Factors for consideration in the assessment of need

- Whether the claimed deficit between income and expenditure constitutes real need and cannot reasonably be reduced to a manageable level by the student.
- Whether the payment should be in instalments or in the form of a short term repayable cash advance and the frequency with which payments to individuals should be made and entitlement reviewed.
- The availability of support from alternative sources, e.g. bursaries, assistance from SAAS, assistance from another UK funding body (for students from England, Wales and Northern Ireland) or DWP Benefits.
- The circumstances of students and types of need prevalent locally and any existing local schemes for improving access.
- In considering requests for support from the Funds from students who have temporarily suspended their studies through illness or who may be experiencing difficulty in finding a placement in industry as an essential part of their course, institutions should first check whether the student continues to be registered as a student. They should also take into account the prospect of the student resuming his or her course and the availability of support from other sources

Lone Parent Childcare Grant

Lone parent students who have to pay all or part of the cost for registered or formal childcare can receive up to **£1,215** a year, depending on the cost of childcare from their university childcare fund. "Formal" childcare includes child-minders, after-school clubs and providers of day-care and education. (If full childcare costs are paid from other sources a student should **not** apply for this grant.)

The Lone Parents Childcare Grant is not income assessed but a student must provide evidence that they are a lone parent with registered or formal childcare expenses and details of funding for childcare from any other sources. *Please see [Annex A](#) for a suggested form that you may find useful for this purpose.*

Students might also provide:

- a copy of the front page of their tax credit award and the relevant page which shows they have made a claim as an individual
- a copy of a letter from the Department for Work and Pensions which shows that they receive benefit as a lone parent.
- Details of their childcare provider and confirmation of how much they pay.

If lone parents have childcare costs in excess of the maximum LPCG, they can also apply for additional help with childcare costs to the Discretionary Childcare Funds. In such cases, lone parents should be assessed for Discretionary Childcare Funding in the same way as other students. Please see below:

[Return to Chapter index](#)

ADVICE TO STUDENTS

Universities may receive enquiries about assistance from the University Childcare Funds before courses actually start. Those administering these Funds may advise prospective eligible students of the amount which they will receive on starting their course, especially lone parents' entitlement to the LPCG.

Administration

[Allocation and Payment of Funds](#)

[Transfer and Carry Forward of Funds- Universities](#)

Annual Audited Returns

[Universities Required by SAAS](#)

[Return to Table of Contents](#)

DISBURSEMENT AND PAYMENT AMOUNTS

Assistance from the University Childcare Funds may be given in the form of a direct payment to the student or to a nominated third party, for example, a childcare provider.

When institutions choose to make direct payments to students they must ensure that students use the money for its intended purpose. It is up to individual institution to decide how best to monitor this proof for example, request receipts to show that the money has been passed to their childcare provider. Institutions should make it clear to students what their responsibilities are for example that they must use the money to pay their childcare provider immediately.

There is no limit to what an institution can award each student from the Childcare Funds. However, institutions should remember to retain enough funds to help as many student parents as possible and to ensure that there are always enough funds to pay the LPCG to eligible students.

Childcare costs will only be met to cover the time a student is studying.

For example:

If a student is attending university for only three days we would not cover costs of nursery provision for five days.

Summer support

Some continuing students find that they need financial assistance late in the academic year to help support them over the long summer vacation. Institutions may wish to consider holding back some of the funds, and keep in place arrangements for considering late applications.

Universities and colleges will need to consider the circumstances of each case, particularly for those students who have childcare and/or caring responsibilities over the summer; are conducting a placement or other course related activity over the summer and therefore are limited in their capability to work during this period. There may also be other personal circumstances out with the student's control that affect their ability to gain employment over the summer.

Universities and colleges should also be mindful that some students may be able to claim benefits over the summer, whilst others may have managed to secure employment. This should be considered when assessing applications for support.

[Return to Chapter index](#)

TREATMENT OF FUNDS BY INSTITUTIONS

Appeals, Applications and Decision-Making Process

Institutions should have an appeals procedure in place for cases where students have applied unsuccessfully for help from the Childcare Funds. This procedure should be clear and students should be informed of their right to appeal. It will be for each university to resolve any appeals internally with individual students about the award of a payment from the funds.

Universities should have a transparent application and decision-making process. Again it will be for each institution to ensure that they have their own arrangements in place.

Publicity

Institutions are responsible for publicising the availability of these funds to their students.

Treatment by the Department of Work and Pensions (DWP) of payments from both funds

Payments from the Funds should be disregarded as long as they are not intended for general living costs and do not, therefore, duplicate provision from the benefits system.

[Return to Chapter index](#)

ADMINISTRATION

Allocation and payment of funds

Universities will be notified in May/June of the amount allocated to them for the Childcare Funds and funds will be distributed in August.

The University Childcare Funds will include the allocated budget for LPCG for HE students.

Transfer and carry forward of funds- Universities

Universities can transfer money between funds to make best use of their allocations of Childcare and Discretionary funds and need not ask permission from SAAS before doing so.

Universities will not be allowed to carry forward any of their 2022-23 Discretionary Funds, including Childcare Funds.

ANNUAL AUDITED RETURNS

Universities: required by SAAS

Each year, when funds are allocated and paid by SAAS, Fund Accounts returns for the previous academic year are distributed to institutions for completion and submission to SAAS by 31 October. Each institution will provide SAAS with:

- Audited income and expenditure Fund Accounts for the preceding academic year, signed/authorised by the Principal and independent Auditor;
- Details of Funds expenditure;
- Repayment of any unused Funds, as recorded in the return.

Please see **the guidance for HE Discretionary Funds for this.**

Q + A

[Lone Parents Childcare Grant Higher Education Students](#)

[Allocations and Methodology](#)

[General](#)

[Return to Table of Contents](#)

LONE PARENTS CHILDCARE GRANT- HIGHER EDUCATION STUDENTS- Q + A

What are the differences between the Lone Parents Childcare Grant (LPCG) and the Lone Parents Grant (LPG)?

The LPCG and the LPG are two different sources of funding for lone parents. The table below summarises the differences in the grants, with further information included in this Q + A.

Grant	Non/Income Assessed	Administered By	How Much	Who Can be Assisted
Lone Parents Childcare Grant (LPCG)	Non-Income Assessed	College or University (Childcare Fund provided by Scottish Government)	Up to £1,215	Lone parent students who have to pay all or part of the cost for registered or formal childcare, and are in receipt of LPG.
Lone Parents Grant (LPG)	Income Assessed	SAAS (part of student's original funding application)	Up to £1,305	Single, widowed, divorced, separated or your civil partnership has dissolved, and you have at least one dependent child that resides with you and you care for over the majority of the week.

Will lone parent HE students still have to apply to SAAS for the LPG before they can be considered for the LPCG?

Yes, funding managers should ask that lone parent HE students apply to SAAS for their LPG **before** they can be assessed for the LPCG and other funding for childcare.

What is classed as 'Registered Childcare'?

Childcare providers must be registered with the Care Inspectorate. Individual child minders must also be registered but nannies do not have to. However, the Childcare Fund can be used by students who use nannies that are recruited through agencies that are registered with the Care Inspectorate.

Is this extra information we need to obtain from the student?

In previous years, funding managers had to ensure that lone parent students had applied to SAAS for their lone parent grants before being considered for discretionary childcare funding. Now, they need only ensure the student is a lone parent. This could include evidence of their LPG award from SAAS. **However, please remember that even if a lone parent student has not received the LPG, perhaps because they were means tested 'out' of receipt, they are still eligible to apply for LPCG.**

Isn't this extra work for funding managers?

Funding managers have always had to assess a student's eligibility for childcare funding and every institution has its own method of assessment. Lone parents should not be income assessed on the first £1,215 (LPCG element) of funding they may be eligible to receive to help them with childcare expenses. But, if a lone parent applies for funding, over and above the LPCG maximum, they should be assessed in line with your institution's policy in order to establish eligibility for help from the Discretionary Childcare Funds.

Will every HE LPCG student receive a payment of £1,215 towards their childcare expenses?

No, it depends how much a lone parent student is paying for formal registered childcare and how much help they are receiving from other sources. For example, if a full time HE lone parent student has to pay for after school care for a child, totalling £1,200 during term time, and the student is not receiving help from other sources then the student would only be entitled to a LPCG of £1,200. Another lone parent student may be paying £3,000 for a registered child minder who looks after her child during term time. The student is not receiving help from elsewhere but is only entitled to the maximum LPCG of £1,215. They can, however, apply for additional help from the Discretionary Childcare Funds.

What are the eligibility criteria for the LPCG?

In higher education, a student must be attending an eligible full time course of study. They should have claimed the LPG from SAAS and have claimed Child Tax Credits and free nursery places etc. as provided by their local authority. Lone Parent students need **not** meet the eligibility criteria for tuition fees to be eligible to apply for the LPCG. That is, a student who is not receiving tuition fee support due to previous study rules can still apply for the LPCG **but they would not be eligible to apply for further funding from the childcare funds.**

Will there be extra funding to help us pay HE students the LPCG?

The LPCG budget for higher education students attending college will be allocated by the Scottish Funding Council as part of the colleges' childcare funds. For HE lone parent students at university, SAAS will allocate the LPCG budget directly to the universities as part of their childcare funding. The institutions will be advised of the percentage of funds that has been included for the LPCG payments.

[Return to Chapter index](#)

ALLOCATIONS AND METHODOLOGY Q + A

What are the allocations of HE Childcare discretionary funds based on?

The allocations are based on statistical information provided by SAAS and HESA.

We have money left over from last year – what can we do with it?

Institutions cannot carry forward any of their 2021-22 allocation to bolster their funds for 2022-23.

Can I move money from my HE Childcare Funds to my HE Discretionary Funds?

Yes, universities can.

GENERAL Q + A

Why pool the FE and HE Childcare funds in the college sector?

It was clear from our research and consultation with our stakeholders that there is traditionally an under spend of childcare funding in the HE sector while the FE sector struggles to meet the demand for assistance with childcare expenses. It seemed sensible to pool all available resources in colleges so that any excess in one can support the other, therefore benefitting more students.

Can part-time HE students apply for help from the Childcare Fund?

No, part- time HE students cannot access the Childcare Funds at university. However, they can apply to the main Discretionary Fund for help with childcare costs.

[Return to Chapter index](#)

Annex A – Application for Lone Parent’s Childcare Grant

If you have more than one childcare provider, you must fill in a separate form for each of them. Please therefore make the relevant number of copies of this form. Please also use black ink to fill in the form.

Section A: Your personal details

Name:	SAAS reference number: «students ref no»
Date of birth:	Your National Insurance No:
University:	

Section B: To be filled in by the student

Please give us details of the registered or formal childcare costs you expect to pay during the period 1 August 2022 to 31 July 2023. If your course begins in January or April, the 12 month period we need information for will begin on 1 January and 1 April respectively. The childcare provider you use must be registered with the Care Inspectorate in Scotland and must provide their registration number in the box provided. We will not pay for informal childcare, for example, a friend or relative. **Please note that we regularly ask childcare providers to confirm that your child/children is/are registered with them. You must advise us immediately if you change childcare provider or of any change in your circumstances that may affect your entitlement to this grant. If we have paid you more than you are entitled to, we will ask you to pay this back. If you make a false claim, we will seek prosecution.**

We cannot help you with your childcare costs if you are getting them paid in full from another source. For example, your university. We will take the payment you expect to receive from other sources from your childcare costs for the year. If you expect to receive a payment from your local authority for pre-school education, you should tell us how much you expect this to be, even if you are still waiting to claim this back from the authority.

Childcare costs for the year: Please enter the total cost of registered or formal childcare that you expect to pay.	£
Childcare costs you expect to receive from other sources: Please enter the total childcare costs you expect to receive from other sources.	£
Total childcare costs: Please enter the total childcare costs for one childcare provider, less what you expect to receive from other sources.	£

Details of children	
Children’s Full name	Date of Birth

Section C: To be filled in by your childcare provider

I confirm that I have agreed to provide childcare to the named child/children above and I will advise you immediately of any change to this. (Please note that it would be helpful if you could keep a record of when the above child/children are in your care and the cost of this care, as we may ask you for this information sometime in the future).
