

## Discretionary Funds 2023-24

Allocations based on SAAS/HESA/FES 2021-22 data.

The allocation of Childcare and Discretionary Funds from 2015-16 is based on a revised methodology than that used in previous sessions to account for student support package changes and Discretionary Fund uses in recent years. This uses the most up-to-date published data from Student Awards Agency Scotland (SAAS), Higher Education Statistics Agency (HESA) and Further Education Statistics (FES) from the Scottish Funding Council (SFC). All monetary amounts have been rounded up or down to the nearest £.
