SAAS Funding – Care Experienced Students

The Student Awards Agency Scotland is here to help you to find the right information, support and funding.
Eligibility
You must also be studying a full-time course and meet our residency conditions.

Visit www.saas.gov.uk for more information and to view our full eligibility criteria.

Eligible full-time courses
• Higher National Certificate (HNC)
• Higher National Diploma (HND)
• Degree
• PGDE (a course you study after your degree that qualifies you to teach)

Separate funding packages are available for paramedic, nursing, midwifery and postgraduate courses.

• If you have ever been looked after by a local authority (council) in the UK before turning 18, you are a Care Experienced student and may be eligible for the Care Experienced Student Bursary (CESB).
• Types of Care Experience we would consider include, but are not limited to, foster care, kinship care (if you’ve lived with a family member), looked after at home on a Compulsory Supervision Order and residential care.

If you are unsure what type of care you experienced, please contact SAAS.
You won’t have to start repaying your loan until the April after you graduate or leave your course. You will be expected to pay 9% of any income you earn over £27,660 per year. This means if you earn £28,660 a year, you would repay £7.50 a month.

**Summer Accommodation Grant**

If you’re Care Experienced and need help with your accommodation costs during the summer period, you may be able to apply to SAAS for support from the Summer Accommodation Grant. From 2024-25, the grant will be a fixed amount.

You can apply for a grant of £1,330 if you are in formal accommodation (such as renting a flat) and £665 if you are in informal accommodation (such as staying with family or friends). If you’re eligible, we’ll make the accommodation payment directly to you. It’s your responsibility to make sure your accommodation provider is paid.

**Other Available Funding**

There are other types of funding available based on personal circumstances including grants for students who have a disability or additional learning needs, student carers and lone parents. These don’t usually have to be paid back.

---

**What’s Available?**

**Tuition Fees**

We will pay your fees directly to your college or university. You do not need to repay your fees if you study in Scotland, but you must remember to apply every year. If you’re studying elsewhere in the UK you can apply to us for a tuition fee loan of up to £9,250 per year.

**Care Experienced Student Bursary (CESB) and Student Loan**

If you’re a Care Experienced student, you can apply for a non-repayable bursary of £9,000. You will also be entitled to a student loan of £2,400. This brings the support package to a total of £11,400.

From the 2024-25 academic year, students will receive an increase to their funding package.

If you are eligible for the CESB, you can also apply for a student loan of £2,400. If you are eligible, we will send your information to the Student Loans Company (SLC), who will process your payments and payment schedule.

---

Products are available in community languages and alternative formats on request.
How to apply
You can apply to us at www.saas.gov.uk from April, as soon as you know the course you want to study. You do not need wait for exam results.

If you don’t get on the course you want, you can easily change or cancel your application online through your SAAS Account.

You must submit your completed application via your online SAAS Account and send any supporting evidence via our Document Uploader. Remember to apply as early as possible and before 30 June and give yourself enough time to gather all your supporting evidence.

This ensures your funding is in place for the start of your course. If you’ve told us that you are Care Experienced on the online application, we’ll contact you once we receive your application.

We’ll email you and ask you to complete an Evidence of Care Experience form. There is a section that normally needs to be completed and signed by a professional person who can confirm your circumstances. SAAS are on hand to assist you with completing the form if you need help.

We’ll only ask you to provide this evidence in the first year that you apply for the bursary.

Once your application has been approved, you’ll receive an Award Notice on your SAAS Account which will confirm your funding and show your bursary payment schedule.

What you need to apply
• your current email address
• your SAAS reference number if you have applied before
• your National Insurance number
• your bank sort code and account number
• your college or university and course details
• If you don’t have the information listed above, you can contact SAAS for guidance.

Sources of advice
SAAS are here to help you with any queries regarding the CESB application – you can use the Contact Us section of our website to get in touch.

Your university or college website can provide support if you’re Care Experienced. They have information on bursaries, scholarships and people who can offer support and advice. They will also have a named contact of someone who can offer you support and advice if you’re Care Experienced. You can find details of the named contact on propel.org.uk.

Further support and advice is available from the following organisations:
• National Union of Students Scotland
• Scottish Throughcare and Aftercare Forum (STAF)
• Who Cares? Scotland
Helpful resources for students
